INVINCIBLE PITCHING OF YOUNGSTER SWINGS VICTORY FOR SOLONS

Herb Pitches Out Last Half of First Game in Which Home Club Batters Out Victory, Then Wins Second, 4 to 0

M'ARDLE BANISHED FOR TALKING BACK

Phoenix Outfits Tucson Both Games, But is Out of Luck in First Game—Hester's Brilliant Work on First Base

(Special to The Republican.)
TUCSON, May 16.—Tucson and Phoenix divided a doubleheader, the old Pueblos taking the first ten-inning game, by a score of 5 to 3, and being shut out by Hall's invincible pitching in the second, while Hester's batters piled up five runs.

Both Fulwider and Hall were substituted in the first game for Galt and McCreary when the latter were hit hard, and both continued on through the second contest.

In the first, the Senators drove Galt from the mound in the third by hard hitting, getting them one run ahead, but in the fifth Brashear's men continued hitting McCreary and evened up the score. In the tenth Stadell drew a walk, was sacrificed to second by Stroloff and after Hall had purposely pitched Rader, McMurdo pounded a hard single to left scoring Stadell from second and winning the game.

McArdle was put out of the first game, banished from the field and fined \$5 by Empire Kane for talking back too much.

Felts for Tucson made a homer in the fourth with nobody on. Nutt's hitting was sensational as he made four safeties out of four times up.

In the second game McArdle's work was sensational and he cut off a number of near-hits. Hester also did fine work at first in both games.

BENNALLACK BLANKS THE EL PASOANS

Surprise Handed to Mackmen in Second Game of Double-header—McGlynn Toys With Douglas During First Contest

(Special to The Republican.)

EL PASO, May 16.—Yesterday afternoon was a day of surprises, marking the second game won by the Douglas club since the inauguration of the season, and the debut of young Hillie Armstrong, a local boy, as a member of the twirling staff of the local Mackmen.

The visitors were easily defeated in the first contest, by a score of 9 to 2, while Bennallack, the young Auburn haired twirler formerly with the Oaks in the Coast League, shut out the Mackmen in the second game by a score of four to nothing.

With the temperature hovering around 95 the veteran Stoney McGlynn, had his invincible right arm working perfectly in the first encounter, and he toyed with the Douglas tribe until the eighth, when the visitors put across two runs, avoiding a shutout.

Bennallack was in splendid form in the second, allowing but six hits, while Armstrong was nipped for an equal number, the locals failing to hit opportunistically behind him.

Score—
Douglas 000 000 020-2 6 3
El Paso 100 001 61-9 18 0
Batteries—McGlynn and Bliss; McConnell and Kraft.

Second game:
Douglas 000 012 0-4 6 0
El Paso 000 000 0-0 5 1
Batteries—Armstrong and Bliss; Bennallack and Kraft. (Seven innings by agreement.)

DUKES MAKE A 'GARRISON'

Albuquerque Need Worry a Lot With Huelman Who Homered in Last of Ninth With Three On—Close Contest

(Special to The Republican.)
ALBUQUERQUE, May 16.—In a ninth inning finish, Albuquerque took the game, the Dukes taking the series five out of six games.

The score was 8 to 4 at the beginning of the last half of the ninth. Huelman got a home run with two on bases, Davis singled and scored on French's single. Charman, who had been passed ahead of French scored on Herriott's sacrifice fly.

Score—
Las Cruces 100 000 052-8 14 3
Albuquerque 000 111 015-9 14 3
Batteries—Black and Bliss; Jordan and Raedel.

A blind man at Westbrook, Me., has built an ell to his house, laid the hardwood floors and installed a hot water system.

HITTLES VICTORY FOR YANKS
DETROIT, May 16.—Scoring four runs in the eighth inning without a hit the visitors won. Dauss was beaten for the first time this season.

Score—
R. H. E.
New York 6 6 1
Detroit 2 6 4
Batteries—McHale and Sweeney; Dauss and Baker.

MACKMEN WIN
CHICAGO, May 16.—The visitors bunched hits off Russell and coupled with an error by Roth, this gave them the first game of the series.

Score—
R. H. E.
Philadelphia 4 7 2
Chicago 3 6 1
Batteries—Shawkey and Schang; Russell, Benz and Schalk.

AND THAT WON FOR BOSTON
CLEVELAND, May 16.—The visitors won a pitchers' battle in fourteen innings. With one out in the fourteenth, Mays and Hooper singled and Wagner and Lewis doubled.

Score—
R. H. E.
Boston 3 7 0
Cleveland 0 12 0
Batteries—J. Wood, Mays and Cady; Morton and Billings.

NOW ST. LOUIS
ST. LOUIS, May 16.—A pitchers duel between Wellman and Shaw ran eleven innings and ended in favor of the locals.

Score—

BULLETIN ON O-O HIGHWAY

Weekly Report of Conditions Along Ocean-to-Ocean Route Sent Out by President Ketcherside of Yuma

Yuma, Ariz., May 12, 1915.
Raton, New Mexico.
Recent rains have made roads rough, but they are drying very rapidly. Will be all right in a day or so from Trinidad to Las Vegas.

E. C. SPERRY.
Wagon Mound, New Mexico.
Roads through Mora Count fast. Bridge over Sapello at Watrous just completed and now in operation. The Mora and Sapello rivers, which stopped traffic last week, are both bridged and there will be no trouble at Watrous from now on.

J. FRANK CURNS.
Magdalena, New Mexico.
Roads west to Springville in good condition with the exception of a detour of about four miles around Blains lake country. Tourists make it from Springville here in one day easily. Cars passing through every day. Roads east in good condition. Easily made to Albuquerque in one day.

MACHINE AUTO & CONSTRUCTION CO.
For this week, have to report roads a little rough in places, but well dried up, no mud, in good travelable condition.

J. S. MACTAVISH.
Quemado, New Mexico.
The road east from here to Magdalena is getting very good, only a little rough in some places to Springville. Will be very good in about one week more—only need a little travel.

ANASTACIO BACA.
Springville, Arizona.
Road to Rice still impassable owing to excessive snowfall last winter, but is going off fast, and I believe roads will be passable by May 15 to 20th. Road east of here is good.

GUSTAV BECKER.
Whitewater, Arizona.
Road entirely impassable for autos. It has rained thirteen days this month and is snowing hard at the time of writing. It will not be practicable to attempt to cross this reservation with a car before June 1 and, if the rains continue, not then.

W. M. PETERSON.
Phoenix, Arizona.
Ocean to Ocean road to Globe now in excellent shape, although rough in few places due to last week's rains. Travel from valley points via Roosevelt dam, continues fairly heavy.

LYLE ABBOTT.
Grand Canyon, Arizona.
Heavy snow storm here. Roads in every direction utterly impassable for autos, and will be for some time to come. Do not send them this way until you hear from me again as travel over them in present condition will do great harm.

W. W. BASS.
Palomas, Arizona.
Road from east end of Yuma county to Middle Wells, in good shape.

J. FRED NOTTBUSCH.
Yuma, Arizona.
The road conditions are about the same as last week. The number of automobile parties are increasing. The Automobile Club of Southern California have the posts set on the new plank road, and this will be completely signed by them in a few days. This coupled with the complete signing system between here and Phoenix will make this one of the easiest roads to follow, there being no chance to miss the route. The Gila still necessitates ferrying at Dome, but this cannot last long at this time of the year. A. J. EDDY.

At the present time, practically all of the travel west from Yuma is going over the new plank road through the sand hills to Holtville, the distance being usually covered in three and one-half to four hours.

The past week, Carl E. McStay, special representative of the Automobile Club of Southern California, came over the Mammoth Wash route erecting automobile club signs, and he reported no difficulty in crossing the sands. He returned by way of the new plank road to Holtville erecting the signs along that route. There are several automobile parties passing through Yuma each day.

I regret to have to announce the death of Frank W. Balfour, of Pomona, Cal., who was one of the leading spirits in the organization of the Ocean-to-Ocean Highway association and who has attended all of its meetings and took a very prominent part in the work of the organization, at all times.

J. A. KETCHERSIDE.

REDS HAND OUTLAWS THEIR JUST DEFEAT

Op's Arizona Reds beat the Outlaws the first time the holy terrors have been licked in a long while, at Polk street grounds yesterday afternoon. The Outlaws were saved a shutout, when Captain-Catcher Moler circled the bases in the last of the ninth, bringing in one run.

Score—
R. H. E.
Reds 10 17 2
Outlaws 1 10 2
Batteries—Washington and Austin; H. Westfall, Gabe and Moler.

Time of game—1:40.

M'LAUGHLIN FOSTERS INDOOR TENNIS IDEA

(Special to The Republican.)

OAKLAND, Cal., May 16.—Maurice McLaughlin, the world's greatest tennis player, is planning for next winter an international indoor tennis tournament, to be played in the new \$1,000,000 Municipal Auditorium in Oakland.

McLaughlin, who lives in Oakland, keeps in practice all the year round. During two months when the rains come, he finds difficulty in getting practice, and has been looking for a suitable place to put up winter courts.

The auditorium, recently opened, and in which 100 conventions will be held this summer, is, according to McLaughlin, an ideal place for winter tennis. The floor is of maple, and with a canvas covering would make a swift court. The floor of the arena is 214 by 90 feet, giving plenty of room for laying out the court.

"An international indoor tournament would be a big success, and I hope to see one in Oakland next winter," said McLaughlin. "I have been in correspondence with a number of the best men in the game and a majority of them agree with me that such an event would be not only a novelty but a successful venture. The court would be faster than an outdoor court, and tennis records would be made that would set a standard for a long time to come."

McLaughlin has taken the matter up with the Oakland city officials and has been assured that there will be no objection to the use of the auditorium for such a purpose.

A. A. A. OFFICIALS TO TALK TAXATION

Meeting to Be Held Today to Be Devoted to Questions of Auto Taxation

(Special to The Republican.)
WASHINGTON, D. C., May 17.—Automobile taxation in general is a subject which will command paramount attention in the annual meeting of the board of directors of the American Automobile Association, to take place in Boston, May 17-18.

The winter sessions of the state legislatures betrayed a wholesale tendency to call upon the motor car owners for increased registration fees, despite the fact that in 1914 the total contributed by motorists exceeded \$12,000,000.

An automobilist should pay only one tax on his vehicle—either for registration purposes or as personal property—but we find in our national membership a difference of opinion as to which is the most resultful, but not necessarily constitutional, form of motor car taxation to bring about roads improvement," comments President John A. Wilson, who is the best man in the game and a majority of them agree with me that such an event would be not only a novelty but a successful venture. The court would be faster than an outdoor court, and tennis records would be made that would set a standard for a long time to come."

McLaughlin has taken the matter up with the Oakland city officials and has been assured that there will be no objection to the use of the auditorium for such a purpose.

Rickenbacher Photographed at 85 Miles an Hour

Here is the stunt The Republican spoke of a while back, photography at high speed. The pictures arrived yesterday from the near vicinity of the Indianapolis speedway, where the

daring photographer took 'em. The upper photo shows Eddie Rickenbacher (on the right) and his mechanic Lansbury as they appear while riding at 85 miles an hour.

Below is a photo snapped with a speed camera from the side lines as Charlie Latta flew by strapped to his hood and posing his subjects in this odd studio.
